Dear Editor Sir/Madam

A high profile team led by Renuka Chidambaram visited social welfare residential schools and hostels. The team members appreciated the Telangana Social Welfare Residential Educational Institutions Society (TSWREIS) for launching a number of innovative student empowerment programs. The entire credit goes to the government of Telangana for making huge budgetary allocations for welfare residential educational institutions, besides providing quality education and nutritious diet, remarked Renuka Chidambaram. The team members held discussions with Ram Laxman, Advisor to Government of Telangana, Dr RS Praveen Kumar, Secretary, TSWREIS, and Karunakar, Director, SCDD, on various programmes being implemented by the government of Telangana. The Telangana model of the residential education is the best model for the educational progress of downtrodden children, the advisor said.
