

PRESS NOTE

The Mining Engineers' Association of India is founded in 1957, a premier professional non-profit making body in the country having members with experience in Mining, Geology, Geophysics, Metallurgy and allied subjects related to Mining and Mineral Industry. The Head Quarters of the Association is at Hyderabad.

Taking into consideration the aftermath of an unprecedented flood havoc in Kerala, the calamity which has caused immeasurable misery and devastation wherein hundreds of lives were lost and thousands of homes were destroyed and many more were damaged, the Mining Engineers Association of India has dutifully decided to make monetary contribution to the Chief Minister's Distress Relief Fund, Kerala Government to be a part of granting relief to deserving families and individuals affected by natural calamity, loss of life due to accidents or for medical treatment for major diseases and help the affected rebuild their lives.

The Mining Engineers Association of India represented by Sri S.Krishna Murthy, Secretary General; Sri T.V.Chowdary, Former President; Sri B.R.V.Susheel Kumar, Chairman, MEAI Hyderabad Chapter and Sri.N.K.Nanda, Member, Executive Committee have handed over a Cheque No.913352, Dated:01.10.2018 for Rs.5,82,660/- (Five lakhs eighty two thousands, six hundred and sixty rupees only) drawn in favour of the Chief Minister's Distress Relief Fund, Kerala Government to the Hon'ble Minister for Mines & Geology, Information Technology; Municipal Administration & Urban Development & Industries, Government of Telangana on 01.10.2018 with a request to contribute the same to the Kerala Government Distress Relief Fund through Hon'ble Chief Minister, Telangana State.
