The Chief Editor/Bureau of.....

Sri B. Shafiullah, IFS., Secretary Telangana Minorities Residential Educational Institutions Society in a press statement today stated that the Valedictory Function of "Brighter Minds Winter Camp" being organized at Kanha Shanti Vanam from 22nd November 2018 to 1st January 2019 was organized at 11.00 AM on 31.12.2018. Students and Teachers of (71) TMR Schools given excellent presentation of their skills in sensory perceptions and cognitive functioning of the brain during the Valedictory Function. They have also given presentation using Static Models on "Healthy Environment Gives Healthy Thoughts".

Sri B. Shafiullah, IFS., Secretary TMREIS along with Officials of TMREIS besides Media persons from both Print and Electronic Media participated in the valedictory Function.

200 Students and 25 Teachers from 71 TMR Schools established during the year 2016-17 participated in the Brighter Minds Alpha Programme, which is a unique programme, which not only enhance the sensory perceptions and cognitive functions of the brain but it offers a unique whole brain wellness programme, designed to help children reach their true potential. It is an educational initiative to equip every child with tools and methods to enhance cognitive functioning for achieving personal excellence and instil confidence in oneself.

The typical schooling education concentrates only on improving the analytical and logical functionalities, while giving little or no attention to building intuition and enhancing creativity. In order to bring about a balance, these latent capabilities can be energized and stimulated by exercising the whole brain at a young age. This will help children introspect and be in harmony with themselves as well as others.

Up on successful training of students and teachers and their performances, Secretary TMREIS declared that the programme will be extended to remaining TMR Schools for the benefit of students and teachers.

Jt. Secretary
TMREIS
