Sri B. Shafiullah, IFS., Secretary Telangana Minorities Residential Educational Institutions Society cordially invite you to the Valedictory Function of Brighter Minds Winter Camp at 11.00 AM on 31.12.2018 at Kanha Shanti Vanam,

In this connection I am to inform you that, 200 students and 25 teachers of TMR Schools are attending Brighter Winter Camp at Kanha Shanti Vanam from 22<sup>nd</sup> December 2018 to 1<sup>st</sup> January 2019.

Brighter Minds Alpha Programme is a unique programme, which not only enhance the sensory perceptions and cognitive functions of the brain but it offers a unique whole brain wellness programme, designed to help children reach their true potential. It is an educational initiative to equip every child with tools and methods to enhance cognitive functioning for achieving personal excellence and instil confidence in oneself.

The typical schooling education concentrates only on improving the analytical and logical functionalities, while giving little or no attention to building intuition and enhancing creativity. In order to bring about a balance, these latent capabilities can be energized and stimulated by exercising the whole brain at a young age. This will help children introspect and be in harmony with themselves as well as others.

M/s Cognitive Skills Private Limited, having expertise in exploring the brain stimulation to enhance cognitive abilities in children and who have trained many students across the State in artificial intelligence, have come forward to train the students and teachers of TMR Schools. One such training programme is being organized at Kanha Shanti Vanam, Timmapur, Shadnagar, Ranga Reddy District from 22<sup>nd</sup> December 2018 to 1<sup>st</sup> January 2019. The Valedictory Function of the said Programme is being organized on 31.12.2018 in which students of TMREIS will give their performance on artificial intelligence. Sri B. Shafiullah, IFS, Secretary TMREIS will grace the occasion.

I, therefore request you kindly to make it convenient to attend or depute your representative to the "Valedictory Function of Brighter Minds Alpha Programme Winter Camp" at 11.00 AM on 31.12.2018 at Kanha Shanti Vanam, Timmapur, Shadnagar, Ranga Reddy District.

I also request you kindly to give wide publicity of the Programme through your News Paper/Channel for the benefit of parents and students of TMREIS.
