

PRESS RELEASE

In a big relief to the applicants who have paid full amount in respect of LRS within the stipulated period, Principal Secretary Municipal Administration Arvind Kumar today issued orders for release of proceedings in respect of 1440 cases as they have paid entire amount as per the guidelines stipulated in the LRS.

It may be recalled that HMDA had received 1,61,693 applications and out of which 91,658 applications are approved, while 58,052 applications are rejected. In respect of 1440 cases, though the applicants have paid the full amount, the proceedings could not be released so far as the LRS scheme was closed by 31-10-2018. In all these 1440 cases the applicants have paid the full amount and compiled with all the formalities in the last week of October 2018. However, LRS proceedings could not be released by 31-10-2018 due to last minute payments by applicants and some delay in confirmation of payments. It was also mentioned in the orders that no intimation letter for payment of fees or submission of any further documents and under no circumstances no new application shall be entertained for submission.
