

**PRESS RELEASE**

Principal Secretary Municipal Administration Arvind Kumar directed the Zonal Commissioner Harichandana to take up junction development and greenery near the Raheja mindspace junction. He said that the junction should have aesthetic appeal with classical Kakatiya theme. Later he visited the place near the Kokapet tank wherein a gated community has been constructed. He instructed the officials to find out whether any encroachment is in the tank and submit a detailed report on the project. Chief Engineer B L N Reddy and Director Planning Balakrishna were also present.
